Good Afternoon all,

Thank you very much for attending the Azusa Street / Hashimoto Plaza Improvements Workshop on June 28, 2018. We've received great ideas and inspirations, and would like to share the result on the priority list attached.

We are working with Metro to get a cost consultant on board so that we can explore the pricing at the next meeting. We'll postpone the meeting originally scheduled next Wednesday, July 18 to later date and let you know as soon as we have cost information ready to present. Have a great weekend!

Best regards,
